

CHARLIE SAYS

What's on at The Volunteer Inn

INTRODUCTION

For those who have not met us yet... I'm Charlie (woof woof) and I would like to introduce my Daddy (Adrian) and my Mummy (Riana) to you. Daddy and Mummy came to England to make this their new home in October 2013. Being adventurous, they got engaged (July), married (August) and sold all their worldly possession in that same year. They arrived at Heathrow with just two suitcases, one nights' accommodation booked in Paddington and no idea what would follow.

Luckily they had friends in Rotherhithe and they rented a room above a pub run by South Africans. They enjoyed exploring and sightseeing London while job hunting. Daddy got a job with, wait for it, a South African Steak & Grill chain as Manager in Training at the O2 (they simply could not shake them South Africans off :). Daddy would arrive back from work quite late in the evenings and they told me one of their favourite times was when Daddy would pop by the Tesco Extra after 2am on his way home and buy a 3 pack of Desperado's, when he got to their room above the pub, he would wake my Mummy and they would share the Desperado's while Daddy told Mummy all about his day at work... I like hearing that sorry.

So after training was completed, Daddy's boss relocated him to a new Steak house which was opening near the football stadium in Leicester. By December 2013 they were living in Leicester and boy the stories Daddy can tell about football games and all the supporters they had to serve beer to..

.... Charlie, enough already, let us tell everyone about what is happening at our pub over the next couple of months...

Okay Mummy, for those of you who would like to hear more of my Daddy's and Mummy's adventure, let me know and I'll tell you another chapter in next month's newsletter...

OUR SKITTLE ALLEY...

Currently we are taking part in the Malmesbury Skittles League, which is continuing until end of May, followed by our fun Summer Skittles League. For those who would like to have a go, please pop in and sign up for the summer league and don't worry if you don't have a team; we will add you to an existing or even form a new team – it is the best way to meet new people in and around our great village. However this does mean that our alley is in use most Tuesday to Friday evenings from 8pm onwards. Families are welcome to come have a game at any time, please just phone up to make sure it is available to avoid disappointing the little ones.
